

Crime Preventive Tips

- ♦ Criminals desire opportunity, if you allow opportunity for a criminal to commit a crime, the criminal will utilize the opportunity.
- ♦ Be sure to set your alarm system, even if you plan to be away from your business for a short amount of time.
- ♦ Be sure that your security surveillance equipment is recording at all times.
- ♦ Make deposits on a daily basis and change your routine.
- ♦ Greet and look at all customers as they enter your business. Criminals try to blend in with regular customers and do not like to be seen or greeted.
- ♦ Report suspicious vehicles, person's and activity to the Montgomery Police Department by dialing (334) 241-2651.
- ♦ Educate your employee's by allowing us to provide a free Business Safety Talk for your staff. Dial (334) 240-4800 to schedule a training date.
- Consider identifying areas on your property that could create security concerns by scheduling a Security Assessment. Dial (334) 240-4800 to schedule a free security assessment. A professional typed report will be returned to your business identifying improvement options that could be considered.

About Our Business Services

The Montgomery Police Department is dedicated to protecting all aspects of our City. With the addition of our Business Crime Prevention Services, we will continue to create a progressive crime prevention partnership with the Business community. The Crime Prevention office has developed these services to help businesses enhance their ability in preventing crime, to build a better relationship with the business community and to network together to help maintain safety in the City of Montgomery.

We encourage you and your employees to utilize our free services and help keep the City of Montgomery a great place to live and conduct business.

OUR SERVICES

The following services are offered to all Montgomery Businesses at no cost:

- On-site **Security Assessment** of your business or property. Our experienced Crime Prevention Officers use ACPI (American Crime Prevention Institute) principles to identify potential security concerns and provide suggestions for improvements. A professional typed assessment is returned to your business at no cost.
- Employees receive **Crime Prevention Training** as approved by, or from, the Crime Prevention Bureau. Training is offered for the following topics:
 - Business Safety
 - Robbery Prevention
 - Identifying Suspicious Activity
 - Shoplifting
 - Counterfeit Money Identification
 - Cyber Safety
 - House of Worship Safety
 - Personal Safety
 - Workplace Violence
 - Active Shooter Awareness
- **Establish a professional relationship** to address and discuss crime prevention/security issues. Our Business Crime Prevention Officers are available during the regular work week.

OUR SERVICES

- Our Business Crime Prevention Officers coordinate the **Retail Loss Prevention Program**. A monthly meeting is held with local retail businesses and their Loss Prevention Specialist to discuss current shoplifting trends, networking together to identify possible shoplifting suspects and wanted offenders.
- Assistance with developing **Crime Preventive Policies and Employee Crime Preventive Hand Books**. All businesses should consider implementing written policies/procedures in place that address crimes and threats that pertain to your particular Business.
